

THE FRUITION OF INTUITION

Spiritual Intuition: A knowing that transcends everything ordinary. A direct download from God that brings a deep sense of peace and certainty, and a felling of rightness when pursuing a certain path.

Opening Prayer: Start this study off by asking God to open your heart and mind to understand the word and grant you discernment.

Have you ever had a very strong feeling of just knowing. The knowing in your knower?

Do you believe that God can speak to us outside of commands and dreams?

What are the benefits and potential dangers of following intuition?

1 Corinthians 2:10 – 16

(The Spirit teaches all and reveals them to us; we have the mind of Christ.)

Focal point.: The Holy Spirit reveals to us truth and gives us understanding, that's the role He plays in our lives.

Romans 8:14

(For all who are led by the Spirit of God are sons of God.)

Focus point: Being led by the Holy Spirit is a trademark of being a child of God.

Galatians 5:22-23

These scriptures represent the fruits of the spirit, the qualities that help us discern right from wrong.

Focal point : These characters of Spirit influence our discernment.

Questions:

1 How do I know when I'm being nudged by the Holy Spirit?

Answer: A nudging that produces safety, love, and brings forth good fruit, and always is in alignment with Gods character.

2 What is one thing I can do to test my intuition?

Answer: Observe the fruit of the nudging!

The importance of testing the Spirit.

Read 1John 4:1

Beloved do not believe every Spirit, but test the Spirits whether they are of God, because many false prophets have gone out into the world.

Key takeaway:

Believe this, Spiritual intuition is a gift from the Holy Spirit when genuine.
