

You've Tried Everything Else, Now Try the Truth

Let's be honest: when life hits, it hits hard. In 2019 I went through a painful divorce, I lost a very good job, and somehow, I found myself alone. And this is the time I also found myself drifting away from my relationship with Jesus Christ. My life became very empty, painful, and lonely.

I began searching in success, drugs, alcohol, relationships, money, and even distractions to fill that empty hole, but deep down that empty space was still aching.

Even in the quiet moments at night when everything's still... I still felt the weight of something missing. I didn't realize it at the time, but my soul was longing for the One that created it.

In April of 2024 I gave my life back to Christ and that empty space became full. The weight I was carrying around for years was lifted and I began to feel complete again.

Coming to Jesus isn't about religion, or some silly dress code. It's about surrender. It's about finally saying, I can't do this on my own anymore. And when you do, He meets you with love, not shame, With purpose, not confusion, With freedom, not chains.

This isn't a sales pitch, it's the truth that sets People free. Jesus Christ is the Savior that leaves the 99 to go after the one. **Are you maybe that one today?**

Jesus didn't come for perfect people, He came, for the broken, the weary, the guilty and the lost. He came for **you**. He lived a life we couldn't live, died a death that we deserved, and rose again so we could have eternal life, not just someday in heaven, but right now, with a new heart, a purpose, and a fresh start.

Jesus is saying come as you are, and you won't leave the same! If you're ready to turn from your old life and accept Jesus Christ as your Savior, it all starts with prayer. Not magic words. Nothing fancy. Just a real honest moment of surrender.

Say this little prayer:

Lord Jesus, I know that I'm a sinner. I believe that you died for my sins and rose again. Right now, I turn from my sin and open the door of my life and heart to You. I confess you as my Lord and Savior. Take control of my life and make me the person you want me to be. Thank You for saving me. In Jesus name amen.

If you just prayed that heaven is rejoicing, and your life has just changed forever. Now, walk with him, get in His word and watch what happens when grace rewrites your story. Welcome to the family and be blessed.
